## Hive SQL Syntax for Use with Sentry

[https://www.cloudera.com/documentation/enterprise/latest/topics/sg\\_hive\\_sql.html#drop\\_role\\_statement](https://www.cloudera.com/documentation/enterprise/latest/topics/sg_hive_sql.html#drop_role_statement)

打开hue的hive编辑器

```
grant ALL on URI 'file:///opt/udf/xy_udf' TO ROLE role_xy_jiangyuande ;
REVOKE ALL on URI 'file:///opt/udf/xy_udf' from ROLE role_xy_jiangyuande ;
show grant role role_xy_jiangyuande;
```

```
grant SELECT on database xy_ods_db TO ROLE role_xy_jiangyuande ;
grant ALL on database xy_wulichuang TO ROLE role_xy_jiangyuande ;
```
